

INTERNATIONAL 2026
BEGEGNUNGEN
SYMPOSIUM
FESTIVAL
9.- 15. OKTOBER 2026 IN BERLIN

Build

An exploration with sticks and clay (3-5)

ToysToy Theatre / Sidharth Varma & Krisha Kurup | India

Content description

Duration

- 25 minutes + 10 minutes post-show audience interaction

Language and text

- without spoken language
- wordless singing

Stage design, props

- wooden sticks
- clay blocks/balls

Sensorial stimuli/triggers

- the props are handled a lot and sounds are also made with them, for example the clicking together of wooden sticks
- clapping and stamping
- wordless singing inspired by classical Indian music

Atmosphere and content

- with the help of rudimentary building materials, the curiosity and creativity of (young) people is explored
