The Sticky Dance

For Sensory Groovers (3-7) & Early Years (3-5)
Second Hand Dance | Great Britain

Content description

Duration

- 120 minutes for sensory groovers (3-7) with six 45 to 60-minutes time slots for participation
- 60 minutes for early years (3-5)
- without post-show time

Language and text

- no spoken language

Stage design, props

- the stage is in the middle of the audience and consists of a dance floor on which, among other things, green and pink sticky strips are distributed to mark certain zones
- the performers use hand torches, ropes and stands to change the stage feeling and create new zones
- some performers wear elaborate, colourful costumes made of fringes

Sensorial stimuli/triggers

- various light colours and intensities are played with, including spherical lights in the performers' hands
- blacklight
- otherwise a pleasant, rather dim light atmosphere
- the performers use ribbons/ropes to wrap themselves in or to dance around with

Audience area and movement

- the audience sits in a circle around the stage on the floor on seat cushions
- the performers dance directly in front of the audience and draw them into the dance

Atmosphere and content

- **The Sticky Dance for Sensory Groovers** was developed especially for neurodivergent children and children with disabilities
